Location: Asotin County Courthouse Annex – Commissioners' Chambers

Date: July 16, 2026

Time: 2:00 pm

Meeting called to order at 2:05 pm.

In Attendance:

Asotin County Commissioner Whitman; Josh Malkin, Asotin County Public Works Director; Lance Gau, Stormwater Foreman; Mike Dimmick, City of Clarkston Public Works Director; Skate Pierce, City of Clarkston Councilmember; Wes Rains, City of Asotin; Sarah Murt, Stormwater Coordinator

A. Review and approve January 15, and April 16, 2026 meeting minutes

The minutes for April 16th do not need to be approved, as the meeting did not have a quorum. They will be kept as notes only.

Commissioner Whitman moved to approve the January 15 meeting minutes, Josh Malkin seconded. Motion passed.

B. Budget

The budget was reviewed and is on track. Budget Amendments as well as 2027 Budget Drafts are due August 10th. Stormwater budget amendments were discussed, please have comments to Sarah by August 3, 2026.

Sarah is still working on a budget format for presentation.

C. Old Business

a. Stormwater projects

Lance discussed projects that have been completed and some that are forthcoming. The landowners on 17th St are very happy with how the project near their property turned out. Vactoring in the City of Clarkston will start next week, City of Clarkston Street crew will assist.

Lance and Sarah have been discussing projects to put together for a bid package. Sarah will work with Josh to move forward when the list is finalized.

b. Clarkston SW Retrofit

This project is almost complete. There is a 1 year warranty, we can plan to camera various sections in the spring.

c. Equipment Purchases / Updates

Ford F550 has arrived and is now in Spokane for upfitting

CUES camera system – training was held and discovered the controller head was malfunctioning. We're waiting on a replacement.

Confined space equipment arrived and staff were trained further on operation

Enclosed cargo trailer was purchased to house the CUES camera system, confined space equipment, and locating equipment

d. Enforcement

Ongoing enforcement was discussed.

e. City of Asotin

i. Request for increase in billable costs

We include an increase in billable costs to the 2027 budget draft. Sarah will meet with Tina for estimates

D. New Business

a. WQC-2027-AsCoPW-0049

The Asotin-Anatone School District grant was funded! Sarah will review communication from Ecology and move forward!

b. Utility Billing Software

Sarah discussed Stormwater's utility billing software.

c. Personnel Updates

There are two vacancies. The Stormwater Clerk gave notice on April 22 and her last day in Stormwater was April 30, 2026. The Stormwater Operator resigned on Wednesday July 15, 2026, with no notice given.

E. Other Business

Lance discussed the many roundtrips needed during sweeping and vactoring and suggested putting a decant station in Asotin. Wes will speak to the City of Asotin about the possibility. Wes discussed upcoming City of Asotin water infrastructure projects as well as a position vacancy.

E. Other Business (continued)

Confined space procedures were discussed. Stormwater staff are Confined Space certified, have appropriate documentation for entering confined space, and are aware of proper equipment maintenance requirements.
